Let's Get Started >>>>

Included

Location of controls

Basic operation

Charging:

1. Connect the player to your computer using the included USB cable.
2. Charge the battery between 3-5 hours (do not charge for more than 8 hours).

Turning on/off:

Make sure the player is fully charged before turning it on.

- To turn the player on/off, press and HOLD the "Power" button until the display turns on or off.

Resetting the player:

If the player malfunctions or freezes, you can use the reset function to restart it.

- To reset the player, take a metal pin (such as the end of a paperclip), and gently push it into the "Reset" hole on the back of the player.

Micro SD card

To insert the Micro SD card:

1. Insert the Micro SD card (up to 32GB) into the card slot with the metal contacts facing towards the front of the player and gently push it in until it clicks. Do not apply excessive force as this may damage the player and/or Micro SD card.
2. To view files on your Micro SD card, select "browser", from the main menu, then select "MicroSD Card".
3. To view certain types of files on the Micro SD card, select the function icon from the home screen and select "MicroSD Card".
4. To remove the MicroSD card, gently push it in until it pops out.
5. When the player is connected to a computer with a card inserted, the card will be listed as a second drive titled "Removable Disk".

Micro SD

1. Find music, picture, or video files on your computer.

Locate "MP3"

2. Connect the player to the computer, and locate "MP3".
3. "Drag and drop" or "copy and paste" the files as shown below.

Drag or copy files here

DO NOT copy files to the "RECORD" folder

*Screenshots may be slightly different than your computer's operating system.

- Turn the player off before inserting or removing the card.
- Do not use force while inserting or removing the card.
- Do not remove the card during file transfers.

- It is also possible to delete files on the player while connected to the computer. Select the file and press the delete key of the computer's keyboard.

- To avoid data loss or damage to the player, always perform a safe USB extraction before disconnecting the player from the computer.

Homescreen

1. After turning on the player, the Homescreen appears. Use the touch button icons to control the player and make selections.

Safety precautions

WARNING

to prevent fire or shock hazard, do not use the plug with an extension cord, receptacle or other outlet unless the blades can be fully inserted to prevent blade exposure.

to reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture.

to prevent electrical shock, match wide blade plug to wide slot, fully insert.

 The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated “dangerous voltage” within the product’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.	CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN warning: to reduce the risk of electric shock, do not remove cover (or back), no user serviceable parts inside, refer servicing to qualified service personnel.	 The exclamation point within the equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.

Legal information

FCC Part 15:
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this equipment not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the requirements for a Class B digital device under Part 15 of the Federal Communications Commission (FCC) rules. These requirements are intended to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Do not attempt to repair or modify this equipment.

Shielded USB cables must be used with this unit to ensure compliance with the Class B FCC limits.

PLR IP Holdings, LLC, its licensees and affiliates, fully support all electronic waste initiatives. As responsible stewards of the environment, and to avoid violating established laws, you should properly dispose of this product in compliance with all applicable regulations, directives or other governances in the area where you reside. Please check with local authorities or the retailer where you purchased this product to determine a location where you can appropriately dispose of the product.

You may also go to [HYPERLINK “http://www.polaroid.com”](http://www.polaroid.com) www.polaroid.com and reference About / Electronic Recycling to learn more about the specific laws in your area and to locate a collection facility near your home.

If your electronic device has internal memory on which personal or other confidential data may be stored, you may want to perform a data sanitization process before you dispose of your device to assure another party cannot access your personal data. Data sanitization varies by the type of product and its software, and you may want to research the best sanitization process for your device before disposal. You may also check with your local recycling facility to determine their data sanitization procedures during the recycling process.

Can not power on

- The battery may be exhausted, please recharge the battery.

Troubleshooting

Files can not be transferred to the player

- Check if the driver is installed correctly in the computer by disconnecting and then reconnecting the player to the computer
- Check the connection between the player and PC, and confirm the USB cable is properly connected.

No sound from the headphones

- Please ensure the volume is turned up, and the headphones are properly connected.
- Check if the format of music file is supported by the player.

Can not record

- Check if there is enough memory and battery capacity.

Display is in the wrong language

- Please ensure you selected the correct language from the “Settings” menu.

I cannot display my .jpg files

- Many digital cameras and image editing softwares add hidden data to the .jpg files. This data can prevent the player from loading the images. Try to eliminate them by saving the file with another name.

Resetting the player

- If the player malfunctions, you can use the reset function to restart it.
- To reset the player, take a metal pin (such as the end of a paperclip), and push it into the RESET hole to restart the player.

Limited Warranty

This product as supplied and distributed new by AIT, Inc. (“AIT”) to the original consumer purchaser is warranted by AIT against defects in material and workmanship for a period of one year from your date of purchase (“Warranty”).

In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Provide proof of the date of purchase within the package (Dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

AIT, Inc.
ATTN: Customer Service (2nd Floor)
14-C 53rd Street
Brooklyn, NY 11232

IN NO EVENT WILL AIT, ITS MANUFACTURERS, DISTRIBUTORS OR PLR IP HOLDINGS, LLC BE LIABLE FOR ANY INCIDENTAL, DIRECT INDIRECT SPECIAL PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) RELATED TO THIS PRODUCT. EXCEPT AS STATED HEREIN, NO OTHER WARRANTIES SHALL APPLY.
